

Unauthorized Transaction and Fraud

TYPE Fraud & Security	URGENCY CRITICAL	LANGUAGE English	ESCALATION YES
--------------------------	---------------------	---------------------	-------------------

SUMMARY

The customer received an unsolicited OTP and ₹47,500 was immediately debited from their account. The transaction was unauthorized and made through 'ONLPAY_INTL'. The customer suspects fraud and requests immediate account block and money recovery.

SUGGESTED RESPONSE OPENING

"I apologize for the distressing experience you've had with an unauthorized transaction on your account. I understand that ₹47,500 was debited from your account without your consent, and we take such matters very seriously. We will take immediate action to block your account and investigate this fraudulent transaction."

KEY ISSUES

Unauthorized Transaction	₹47,500 was debited from the customer's account without authorization.
Fraud	The customer suspects fraud as they did not request the OTP or the transaction.

RECOMMENDED CSR ACTIONS
