

Internet Banking Lockout

TYPE	URGENCY	LANGUAGE	ESCALATION
Digital Banking	HIGH	English	No

SUMMARY

The customer's internet banking account has been locked due to three incorrect password attempts, and they are unable to make an urgent payment. They have been trying to access their account since morning but are getting a temporary lockout message. The customer needs assistance to regain access to their account as soon as possible.

SUGGESTED RESPONSE OPENING

"I apologize for the inconvenience you're experiencing with your internet banking account, and I'm here to help you regain access as soon as possible."

KEY ISSUES

Account Lockout	Temporary lockout due to 3 incorrect password attempts
-----------------	--

RECOMMENDED CSR ACTIONS

#1 Account Unlock	IMMEDIATE
The customer can try resetting their password or contact the bank's customer support to request an account unlock. The customer support team can verify the customer's identity and assist with unlocking the account.	
Assigned to: Digital Banking Support
